

International Experts Summit on Catalysis and Chemical Engineering

(Chemical Summit-2026)
June 18–20, 2026 | Rome, Italy

❖ Day 1 – Thursday, June 18, 2026

Theme: Advancements in Catalysis & Chemical Reaction Engineering

08:00-09:00 - Registration & Welcome Coffee

09:00–09:30 – Opening Ceremony & Inaugural Address

09:30–11:00 – Plenary Session I: Innovations in Catalysis & Green Chemistry

11:00-11:15 - Networking Coffee Break

11:15–13:00 – Keynote Presentations (Parallel Sessions)

- Advances in Homogeneous & Heterogeneous Catalysis
- Catalytic Processes for Sustainable Chemical Production

13:00–14:00 – Networking Lunch

14:00-15:30 - Oral Presentations - Session A

- Novel Catalysts & Reaction Mechanisms
- Catalysis for Environmental & Energy Applications

15:30–15:45 – Coffee Break

15:45-17:00 - Featured Talks

- AI & Machine Learning in Catalyst Design
- Industrial Catalysis: Innovation & Scale-Up

17:00–17:30 – Poster Viewing & Interaction

17:30–18:00 – Day 1 Wrap-Up & Highlights

❖ Day 2 – Friday, June 19, 2026

Theme: Process Engineering, Materials, and Industrial Applications

09:00–10:30 – Plenary Session II: Breakthroughs in Process Intensification & Chemical Engineering

10:30–10:45 – Coffee Break

10:45-12:15 - Workshops

- Advanced Reactor Design & Optimization
- Sustainable Processes in Chemical Manufacturing

12:15–13:15 – Lunch Break

13:15-14:30 - Oral Presentations - Session B

- Nanomaterials & Catalysis
- Reaction Kinetics, Thermodynamics & Modeling

14:30-15:30 - Young Researcher Forum

• Emerging Innovations in Catalysis & Materials Science

15:30–15:45 – Coffee Break

15:45–17:15 – Symposium: Modern Trends in Chemical Engineering & Industrial Catalysts **17:15–18:00** – Poster Presentations & Networking Mixer

❖ Day 3 – Saturday, June 20, 2026

Theme: Future of Catalysis, Sustainability & Global Collaboration

09:00-10:00 - Industry Innovation Forum

- Next-Generation Catalysts for Energy & Environmental Systems
- Startups & Investments in Chemical Technology

10:00–11:30 – Panel Discussion: Global Catalysis Challenges & Sustainable Solutions

11:30-11:45 - Coffee Break

11:45–13:00 – Closing Keynote Session

• The Future of Catalysis: Digitalization, AI & Global Research Partnerships

13:00–14:00 – Lunch & Networking

14:00–15:00 – Awards & Certificate Distribution Ceremony

15:00–15:30 – Closing Remarks & Conference Farewell
